CTSO State Officer Training!

From July 27-28, 2009, all the Career Technology Student Organizations (CTSO) were invited to the Baltimore Crowne Plaza Hotel in Baltimore, MD to gain more leadership skills, communication skills, and to plan for the year. In attendance were the Maryland State Officer Teams from FBLA, DECA, HOSA, SkillsUSA, and FFA. All in all, it was such a success as we have started to plan many exciting events for the year ahead of us!
